§ 655.1200 What enforcement authority does the Department have with respect to a facility's H-1C Attestations?

(a) The Administrator shall perform all the Secretary's investigative and enforcement functions under 8 U.S.C. 1182(m) and subparts L and M of this part.

(b) The Administrator, either because of a complaint or otherwise, shall conduct such investigations as may be appropriate and, in connection therewith, enter and inspect such places and such records (and make transcriptions thereof), question such persons and gather such information as deemed necessary by the Administrator to determine compliance with the matters to which a facility has attested under section 212(m) of the INA (8 U.S.C. 1182(m)) and subparts L and M of this part.

(c) A facility being investigated must make available to the Administrator such records, information, persons, and

places as the Administrator deems appropriate to copy, transcribe, question, or inspect. A facility must fully cooperate with any official of the Department of Labor performing an investigation, inspection, or law enforcement function under 8 U.S.C. 1182(m) or subparts L or M of this part. Such cooperation shall include producing documentation upon request. The Administrator may deem the failure to cooperate to be a violation, and take such further actions as the Administrator considers appropriate.

(NOTE: Federal criminal statutes prohibit certain interference with a Federal officer in the performance of official duties. 18 U.S.C. 111 and 1114.)

(d) No facility may intimidate, threaten, restrain, coerce, blacklist, discharge, or in any manner discriminate against any person because such person has:

(1) Filed a complaint or appeal under or related to section 212(m) of the INA (8 U.S.C. 1182(m)) or subpart L or M of this part;

(2) Testified or is about to testify in any proceeding under or related to section 212(m) of the INA (8 U.S.C. 1182(m)) or subpart L or M of this part.

(3) Exercised or asserted on behalf of himself/herself or others any right or protection afforded by section 212(m) of the INA (8 U.S.C. 1182(m)) or subpart L or M of this part.

(4) Consulted with an employee of a legal assistance program or an attorney on matters related to the Act or to subparts L or M of this part or any other DOL regulation promulgated under 8 U.S.C. 1182(m).

(5) In the event of such intimidation or restraint as are described in this paragraph, the Administrator may deem the conduct to be a violation and take such further actions as the Administrator considers appropriate.

(e) A facility subject to subparts L and M of this part must maintain a separate file containing its Attestation and required documentation, and must make that file or copies thereof available to interested parties, as required by § 655.1150. In the event of a facility's failure to maintain the file, to provide access, or to provide copies, the Administrator may deem the conduct to be a violation and take such further actions

as the Administrator considers appropriate.

(f) No facility may seek to have an H-1C nurse, or any other nurse similarly employed by the employer, or any other employee waive rights conferred under the Act or under subpart L or M of this part. In the event of such waiver, the Administrator may deem the conduct to be a violation and take such further actions as the Administrator considers appropriate. This prohibition of waivers does not prevent agreements to settle litigation among private parties, and a waiver or modification of rights or obligations in favor of the Secretary shall be valid for purposes of enforcement of the provisions of the Act or subpart L and M of this part.

(g) The Administrator shall, to the extent possible under existing law, protect the confidentiality of any complainant or other person who provides information to the Department.

§ 655.1205 What is the Administrator's responsibility with respect to complaints and investigations?

(a) The Administrator, through investigation, shall determine whether a facility has failed to perform any attested conditions, misrepresented any material facts in an Attestation (including misrepresentation as to compliance with regulatory standards), or otherwise violated the Act or subpart L or M of this part. The Administrator's authority applies whether an Attestation is expired or unexpired at the time a complaint is filed. (Note: Federal criminal statutes provide for fines and/or imprisonment for knowing and willful submission of false statements to the Federal Government. 18 U.S.C. 1001; *see also* 18 U.S.C. 1546.)

(b) Any aggrieved person or organization may file a complaint of a violation of the provisions of section 212(m) of the INA (8 U.S.C. 1182(m)) or subpart L or M of this part. No particular form of complaint is required, except that the complaint shall be written or, if oral, shall be reduced to writing by the Wage and Hour Division official who receives the complaint. The complaint must set forth sufficient facts for the Administrator to determine what part or parts of the Attestation or regulations have allegedly been violated. Upon the re-

quest of the complainant, the Administrator shall, to the extent possible under existing law, maintain confidentiality about the complainant's identity; if the complainant wishes to be a party to the administrative hearing proceedings under this subpart, the complainant shall then waive confidentiality. The complaint may be submitted to any local Wage and Hour Division office; the addresses of such offices are found in local telephone directories. Inquiries concerning the enforcement program and requests for technical assistance regarding compliance may also be submitted to the local Wage and Hour Division office.

(c) The Administrator shall determine whether there is reasonable cause to believe that the complaint warrants investigation and, if so, shall conduct an investigation, within 180 days of the receipt of a complaint. If the Administrator determines that the complaint fails to present reasonable cause for an investigation, the Administrator shall so notify the complainant, who may submit a new complaint, with such additional information as may be necessary.

(d) When an investigation has been conducted, the Administrator shall, within 180 days of the receipt of a complaint, issue a written determination, stating whether a basis exists to make a finding that the facility failed to meet a condition of its Attestation, made a misrepresentation of a material fact therein, or otherwise violated the Act or subpart L or M. The determination shall specify any sanctions imposed due to violations. The Administrator shall provide a notice of such determination to the interested parties and shall inform them of the opportunity for a hearing pursuant to § 655.1220.

§ 655.1210 What penalties and other remedies may the Administrator impose?

(a) The Administrator may assess a civil money penalty not to exceed \$1,000 per nurse per violation, with the total penalty not to exceed \$10,000 per violation. The Administrator also may impose appropriate remedies, including the payment of back wages, the performance of attested obligations such
